In the Matter of:

ESTABLISHMENT OF DUAL PARTY RELAY)	
TELECOMMUNICATIONS SERVICES FOR)	ADMINISTRATIVE
HEARING-IMPAIRED OR SPEECH-IMPAIRED)	CASE NO. 333
PERSONS IN KENTUCKY)	

O R D E R

On February 19, 1991, the Commission received a Motion for Clarification from AT&T Communications of the South Central States, Inc. ("AT&T") requesting that the Commission clarify its February 1, 1991 and April 15, 1991 Orders to state that the scope of the contract to provide Dual Party Relay Services ("DPRS") awarded to AT&T includes the provision of interstate calling. AT&T contends that no additional formal process, such as a rebid of the interstate calling, is necessary because interstate service should be considered an enhancement to the original contract.

The Commission, having considered the motion and being otherwise sufficiently advised, HEREBY ORDERS that all parties to this proceeding shall have 20 days from the date of this Order to file comments concerning AT&T's Motion for Clarification.

Done at Frankfort, Kentucky, this 28th day of February, 1992.
